DEAR CUSTOMERS

Created by Gerald Genta in 1972, the Audemars Piguet Royal Oak became one of the most celebrated designs in the history of watchmaking.

In the past 50 years, the Gerald Genta's creation has been through hundreds of iterations, but the iconic Genta-look, including the octagonal bezel with eight visible hexagonal screws and brand's signature Tapisserie pattern on the dial have remained unchanged.

In 2022 the Audemars Piguet's best-known and most collectible watch turns 50. To mark such a milestone for the Genta masterpiece, Ineichen Auctioneers will offer 50 unique Royal Oak timepieces at our thematic auction devoted to the model's 50th anniversary.

The sale will please collectors in search for unique designs, timeless craftsmanship and rich heritage.

AUCTION CONDITION

Please, bear in mind that this is a shortened version of the Auction Conditions and does not cover all nuances. To make an informed commitment – read the complete version of the Conditions.

THE CONTRACT

The auction object (the «Object») is auctioned by Ineichen Zürich AG, Zurich («Ineichen»), in the name and for the account of the Consignor / Seller (the «Seller»). The lot will be knocked down to the highest bidder (the «Buyer») after three calls and will result in the conclusion of a purchase contract between the Seller and the Buyer. **The bid is considered winning only when knocked down with the hammer by Auctioneer and confirmed via e-mail or phone-call by Ineichen.** With each oral or written bid submitted, the auction participant acknowledges these auction conditions.

BUYER'S LIABILITIES

Each buyer is personally liable for the bids made by him orally or in writing as well as from a knockdown awarded to him and a purchase contract with the seller resulting therefrom.

BUYER'S PREMIUM

As of May 2022, we officially cancel the buyer's premium. The buyer's obligation is limited to the hammer price and VAT payment only.

VAT

The applicable **Swiss Value Added Tax shall be paid by the buyer on the net hammer price (as a price of the product purchased in Switzerland).** Buyers who present an export declaration duly stamped by the Swiss customs authorities will be refunded the value added tax levied on the net additional price if the value added tax exceeds the amount of CHF 30. **For goods shipped outside of Switzerland, Swiss VAT can be excluded from initial invoice by request of a buyer.**

If payment is not made on time, the buyer will be given a 10-day grace period** by means of a reminder. If this period also remains unused, the **purchase is considered as cancelled by the buyer** (Read "Purchase Cancellation" section of these Auction Conditions).

PURCHASE CANCELLATION

In case of **purchase cancellation for any reason except for the product condition**, as described in the "Product Conditions" section of this Auction Conditions, the company is **authorized to blacklist the client and freely distribute the information amongst other auction houses.**

In these cases, the buyer has to pay 10% of the net hammer price for Ineichen's expense.

Ineichen may declare **withdrawal from the purchase contract in the name of the seller and**, after prior consultation with the seller, **connect the objects bought by the buyer to a subsequent auction without limitation or sell them by private treaty.**
