## DEAR CUSTOMERS

**After two years of worldwide lockdowns and restrictions, Ineichen Auctioneers are ecstatic to celebrate and welcome the new year 2022 by orchestrating the “La Vie en Rose” watch auction.**

Even though many of us had to face the most challenging times because of the pandemic, we at Ineichen believe that we can still put on rose-colored glasses to help us find new perspective! The “La Vie en Rose” philosophy is about looking at life optimistically. It’s about finding joy in one’s life and being in the present moment. It’s about dreaming big. The “La Vie en Rose” auction offers a strategically curated selection of 40 timepieces, all featuring cases made of rose gold.

The sale will include a superb Vacheron Constantin Malte Tourbillon Skeleton featuring a fully skeletonized movement designed to have the same tonneau shape as the case.

The auction is also highlighted with unique watches filled with provenance and history by Vacheron Constantin, Jaeger-LeCoultre, A. Lange & Söhne, Girard-Perregaux, Cartier, Frank Muller, Roger Dubuis and Breguet, as well as extraordinary and rare timepieces by F.P. Journe, Daniel Roth, Andersen Geneve and Harry Winston.

# AUCTION CONDITION

**Please, bear in mind that this is a shortened version of the Auction Conditions and does not cover all nuances. To make an informed commitment – read the complete version of the Conditions.**

## THE CONTRACT

The auction object (the «Object») is auctioned by Ineichen Zürich AG, Zurich («Ineichen»), in the name and for the account of the Consignor / Seller (the «Seller»). The lot will be knocked down to the highest bidder (the «Buyer») after three calls and will result in the conclusion of a purchase contract between the Seller and the Buyer. **The bid is considered winning only when knocked down with the hammer by Auctioneer and confirmed via e-mail or phone-call by Ineichen.** With each oral or written bid submitted, the auction participant acknowledges these auction conditions.

## BUYER'S LIABILITIES

Each buyer is personally liable for the bids made by him orally or in writing as well as from a knockdown awarded to him and a purchase contract with the seller resulting therefrom.

## BUYER'S PREMIUM

The buyer shall pay a **premium of 24% of the net hammer price** on the net hammer price corresponding to the highest bid (hammer price without VAT). **The buyer explicitly agrees that Ineichen will receive a commission agreed with the seller.**

## VAT

The applicable **Swiss Value Added Tax** shall be paid by the buyer **on the net hammer price (as a price of the product purchased in Switzerland) and the amount of buyer's premium (as a service provided in Switzerland).**

**If the product is shipped outside of Switzerland, both service and product considered to be exported, hence VAT is excluded for both the hammer price and buyer's premium.** In such case the buyer is liable to pay all the

duties (e.g.: import tax and VAT) according to the importing state laws. The request for VAT exclusion should be submitted to [info@ineichen.com](mailto:info@ineichen.com)

## PAYMENT

Payment of the net hammer price plus buyer's premium and value added tax shall be made at the auction or **no later than 30 days. In case of late payments an interest on arrears of 12% p.a. will be charged.**

**If payment is not made on time, the buyer will be given a 10-day grace period by means of a reminder.** If this period also remains unused, Ineichen may adhere to the fulfilment of the purchase contract on behalf of the seller. The assertion of compensation for the delay and further damages is explicitly reserved. Alternatively, after expiry of the period of grace, Ineichen may declare withdrawal from the purchase contract in the name of the seller and, after prior consultation with the seller, **connect the objects bought by the buyer to a subsequent auction without limitation or sell them by private treaty. In these cases, the buyer has to pay 20% of the net hammer price for Ineichen's expenses in addition to the buyer's premium.**

## OWNERSHIP RIGHTS TRANSMISSION

**The benefit and risk of the objects shall pass to the buyer upon acceptance of the bid.** The objects will only be **handed over to the buyer after full payment** of the hammer price, buyer's premium and VAT.

The objects may be collected immediately after the auction or at **the latest 30 days thereafter after prior notification** by telephone at the business premises of Ineichen during normal business hours.

In case of objects which have not been collected 10 days after this date, Ineichen is entitled to have them stored **at the buyer's expense and risk.**

## SHIPPING

If required, Ineichen offers to transport the object **at the buyer's expense.**
